EXPERIENCE

COGNIZANT (**03**/**2023 - now**)
Data Engineer (Program Analyst**)**

COGNIZANT (**05**/**2022 - 09**/**2022**)
ETL Developer (Internship**)**

EDUCATION

GAYATRI VIDYA PARISHAD COLLEGE OF ENGINEERING
Bachelor of Technology

SKILLS

Languages:
- **Python**
- **SQL**
- **Java**

Frameworks:
- **Pyspark**
- **Pandas**
- **Django**
- **Flask**

Services:
- **AWS**
- **Power BI**
- **WordPress**
- **DataBricks**

Tools:
- **Git**
- **Github**
- **VS Code**
- **PyCharm**
- **WordPress**

CERTIFICATIONS

AWS Certified Cloud Practitioner

AWS Certified Data Analytics

Databricks Certified Associate Developer for Apache Spark

PROJECTS

Novations | Life Annuity Insurance

Python, Pandas, Pyspark, AWS, SQL (sybase)

- Created the **Python framework** that receives multiple raw COBOL data and transforms into client required format and apply the Business logic on top of that,
- **Automated** the script execution and parameter files creation which reduced the **ETA from 38 hours to 4 hours**

CHARexp | **PANDAS** | **PowerBI** | **MySQL**

- Created a python application to log challenges of daily life and assign character exp points for completion using **Pandas** and storing them in **MySQL** Database.
- Automated the reports in **PowerBI**

DATA TRANSFORMATION | **PYSPARK** | **AWS**

- Developed Custom Scripts required for the Data Transformation using **Pyspark** in AWS Glue

INTERNSHIP | ETL | INFORMATICA

- Created an **ETL** process using Informatica Power Center that loads input data from the Oracle database into a flat file in csv format.

WEB JOURNAL | REACT | JAVA SCRIPT

- Created an Online Web Journal using **React JS**
- Used **Supabase** as backend Database
- Added a **filtering** feature to filter facts based on the category.

ACHIEVEMENTS

- **Rising Star Award | Venerable | 2024**

  Awarded for replacing a 7 year senior's role in the project within a month

- **Champion of Hyderabad | Cognizant | 2024**

  Awarded for great technical performance and leading the team building program

EXTRA - CIRICULAR

- Leading the **Team building** group, that plans unique & creative fun-activities among the team each month
